

This is a super cool coloring book,
with adventures to discover...come take a look.
Make each page a special creation.
The only limit is your own imagination!

What will the clubhouse be today?

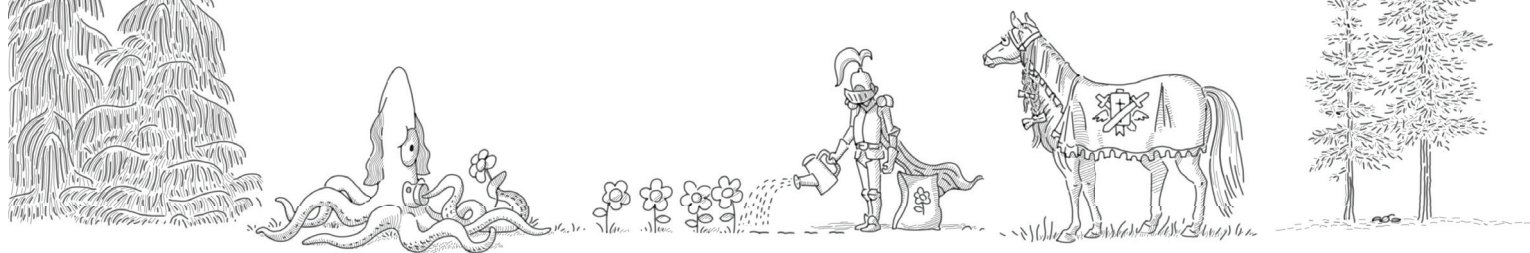

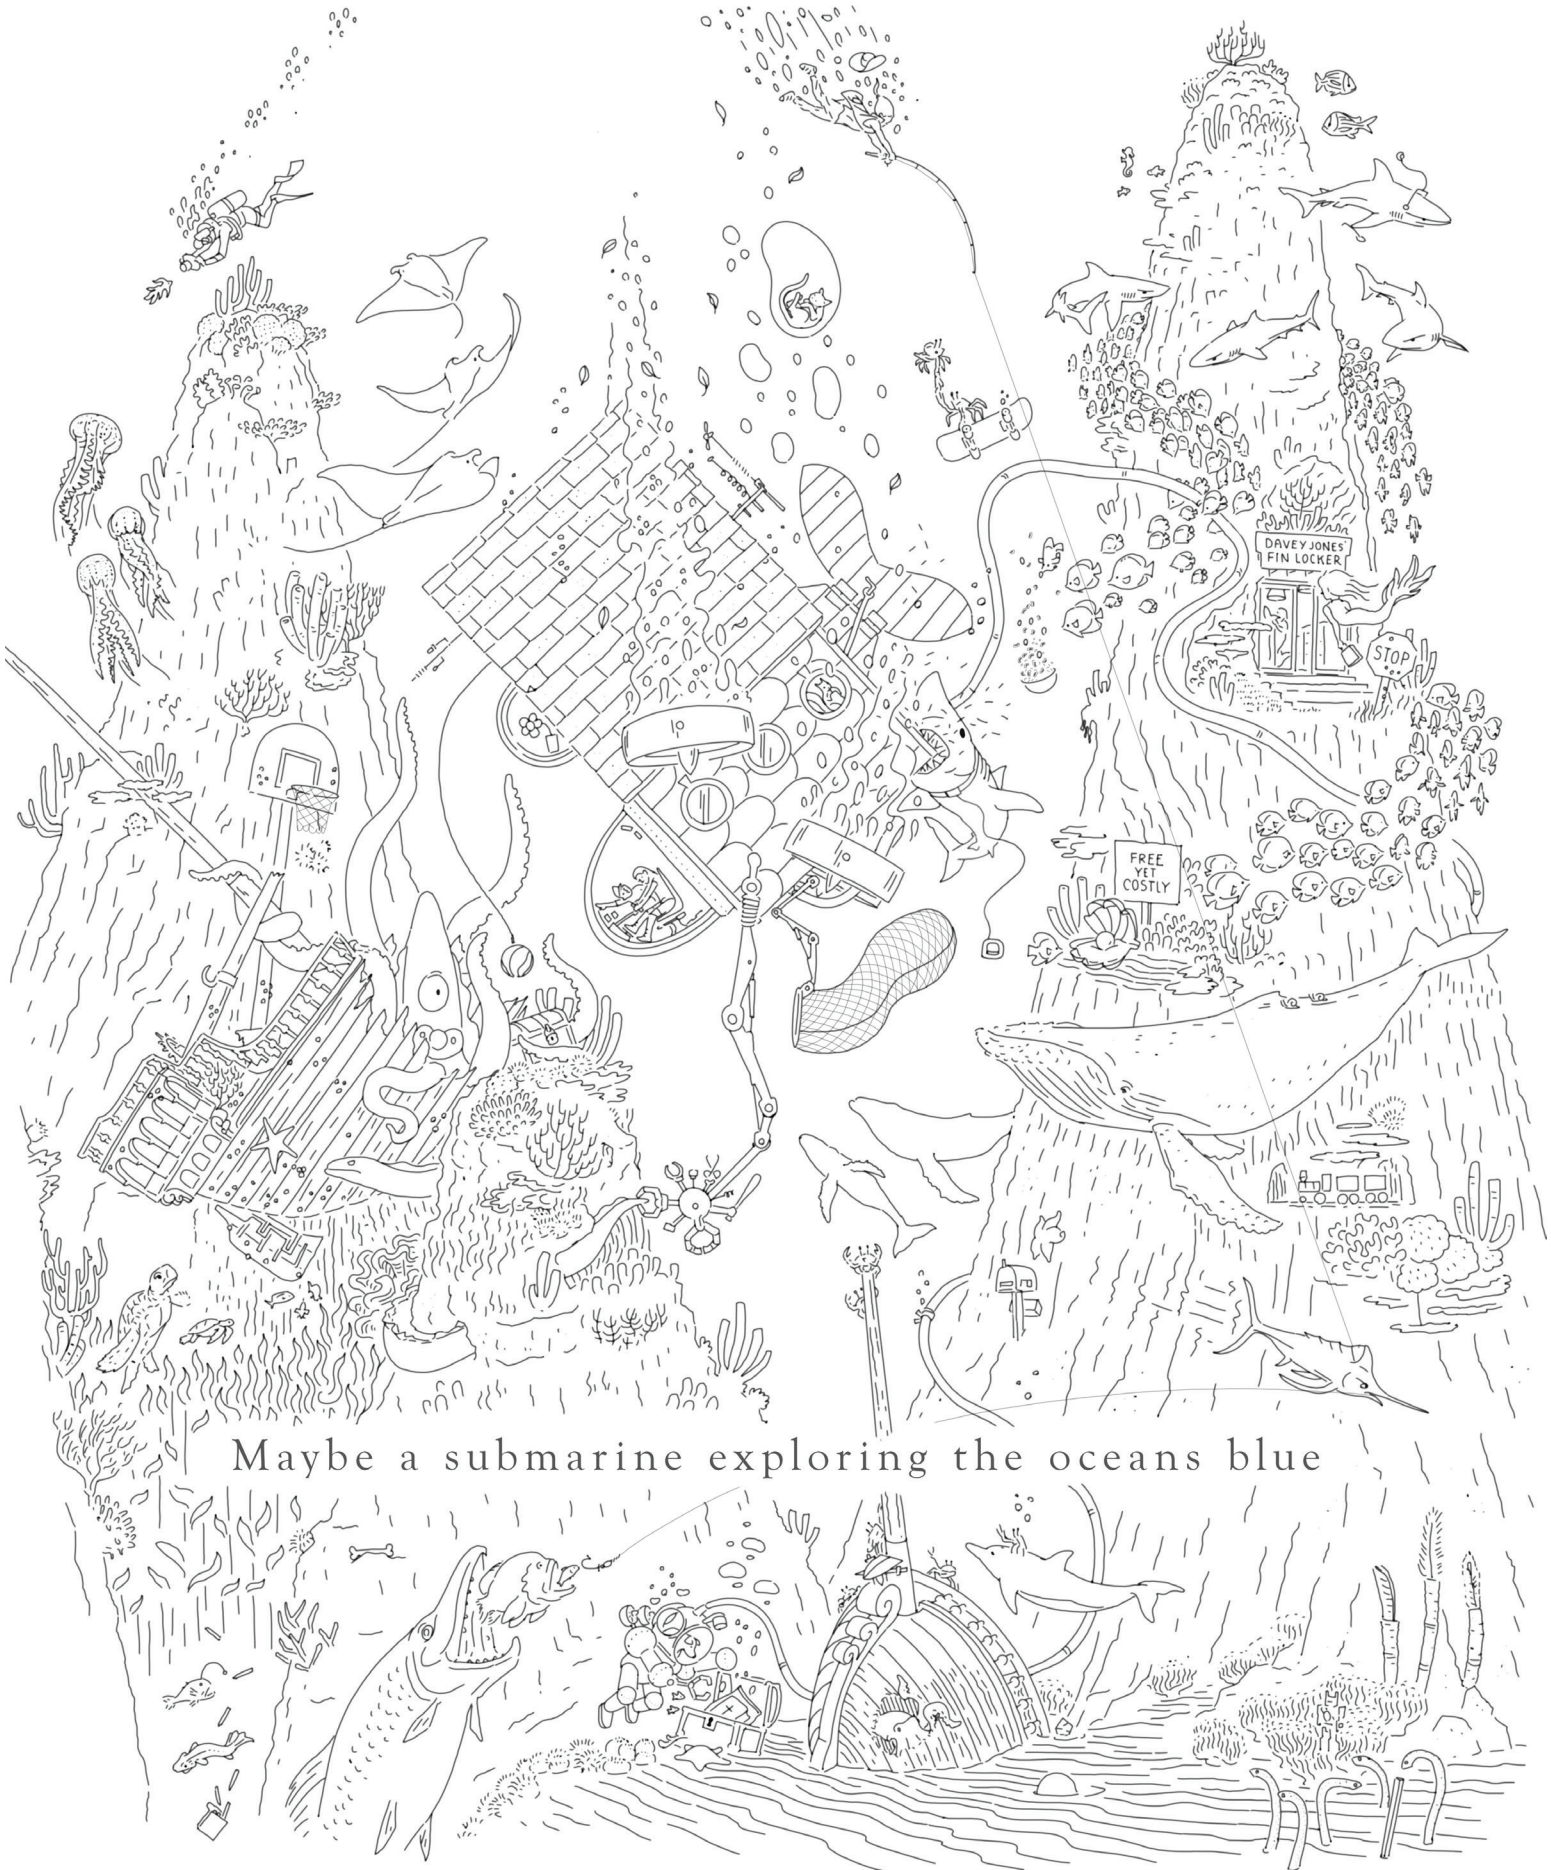

Maybe an airplane in the midst of flight

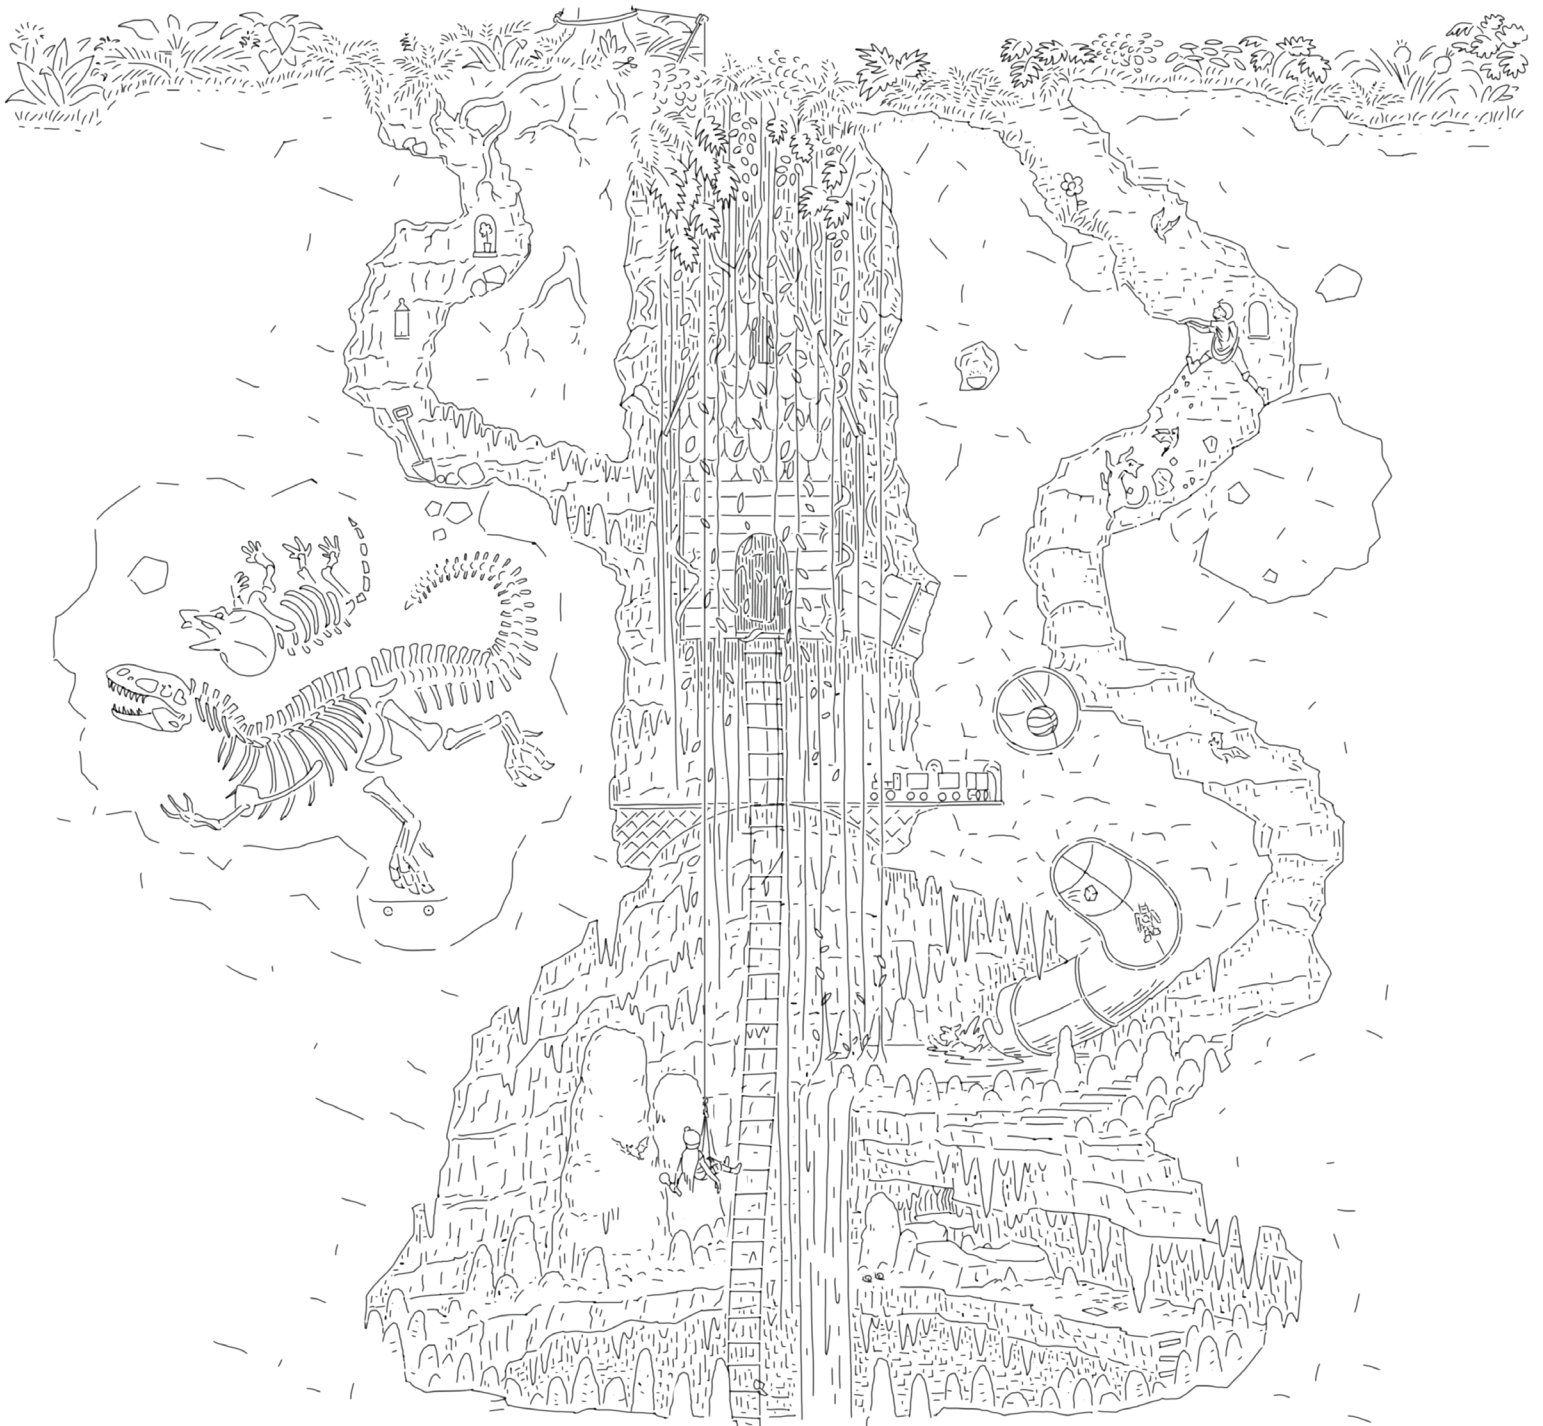

Maybe a castle with valiant knights

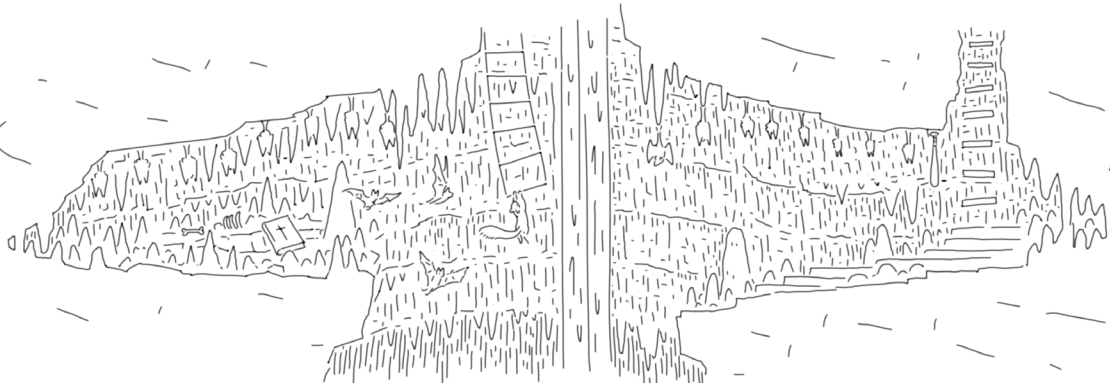

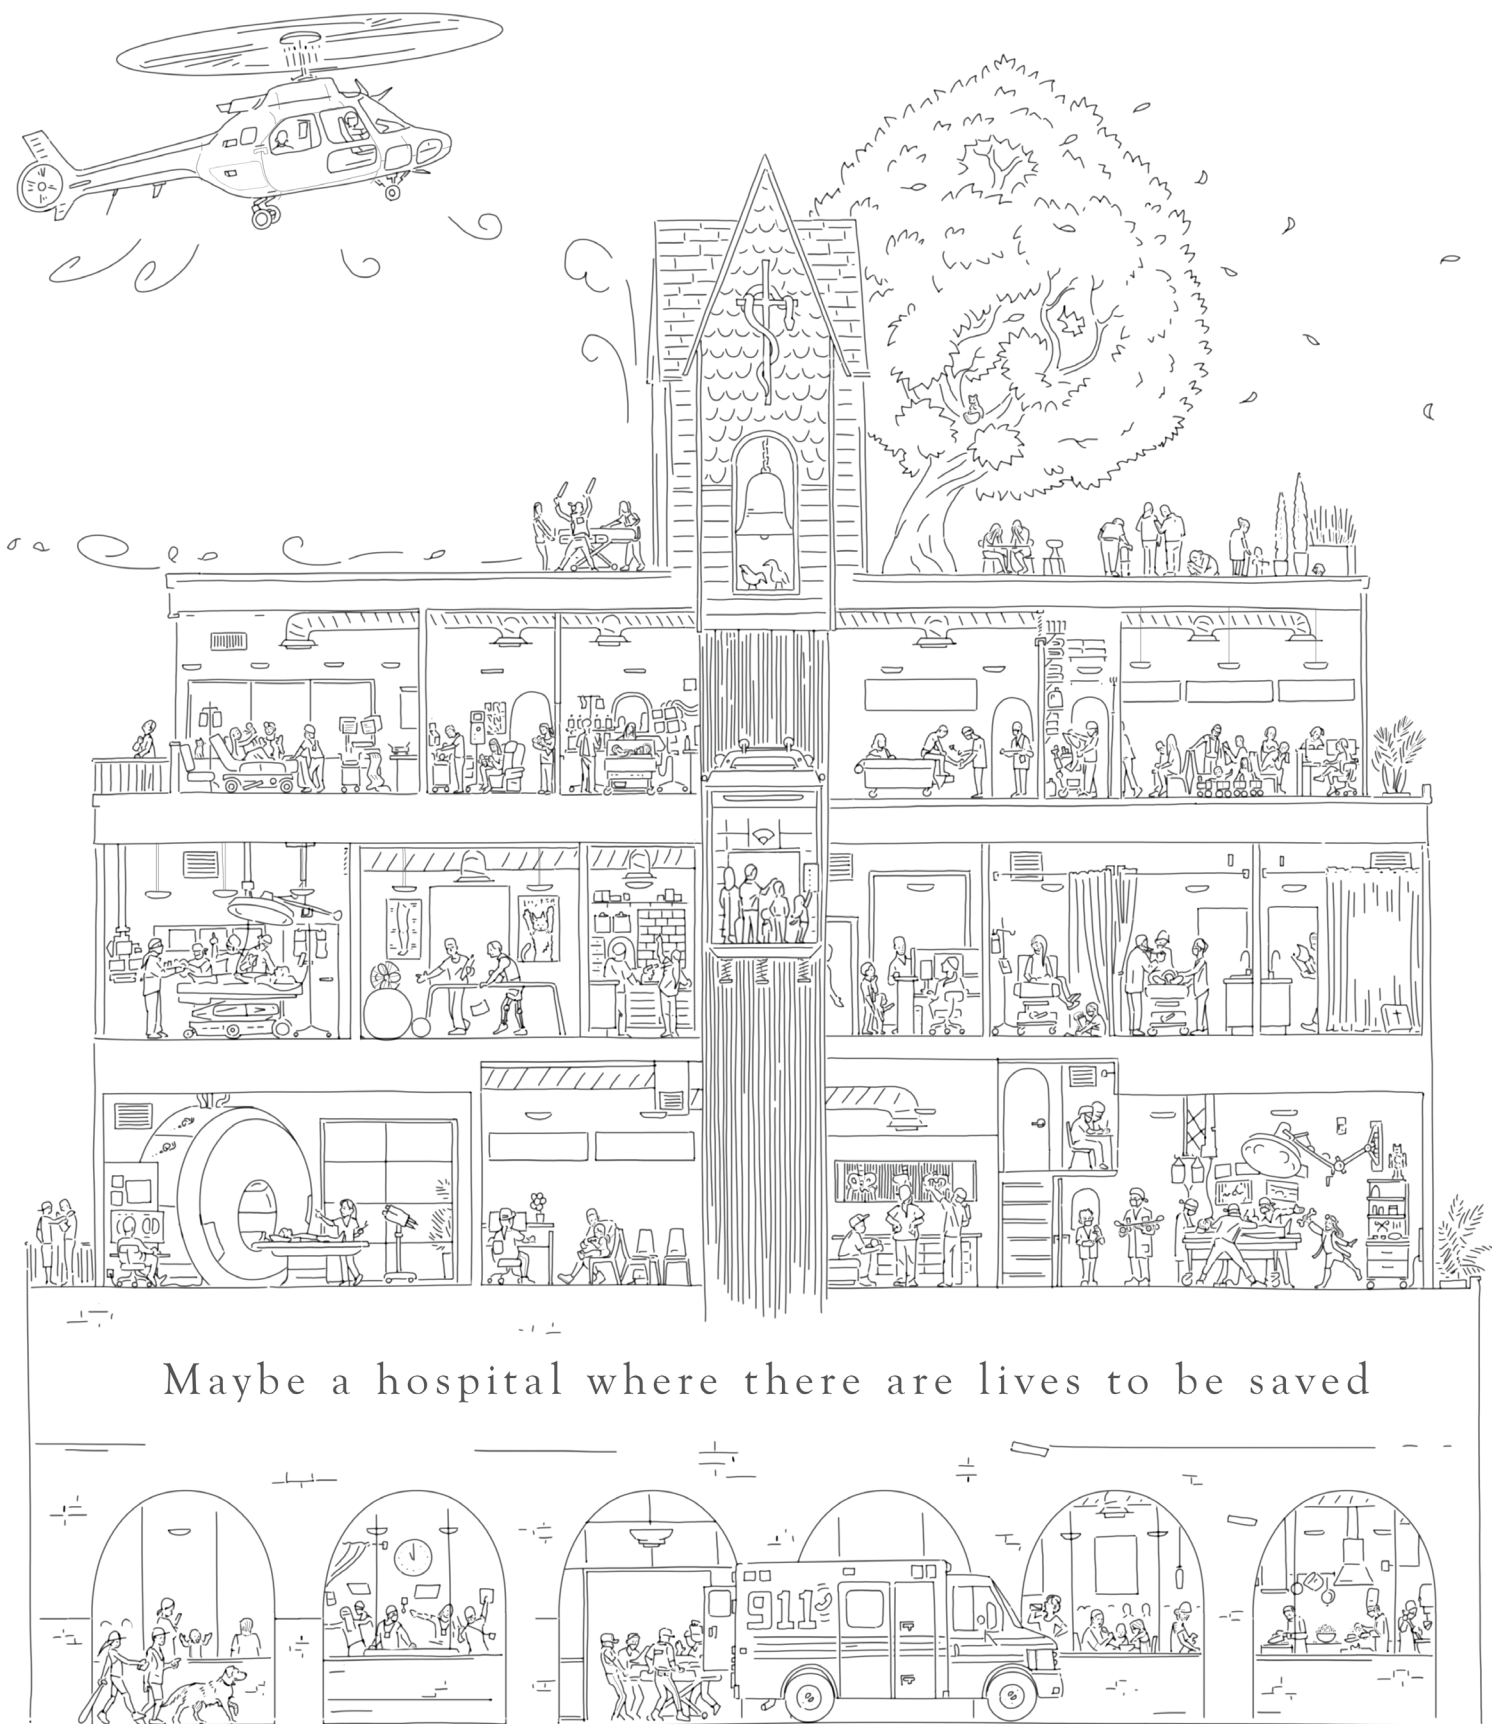

Maybe a submarine exploring the oceans blue

Maybe a cave we climb our way through

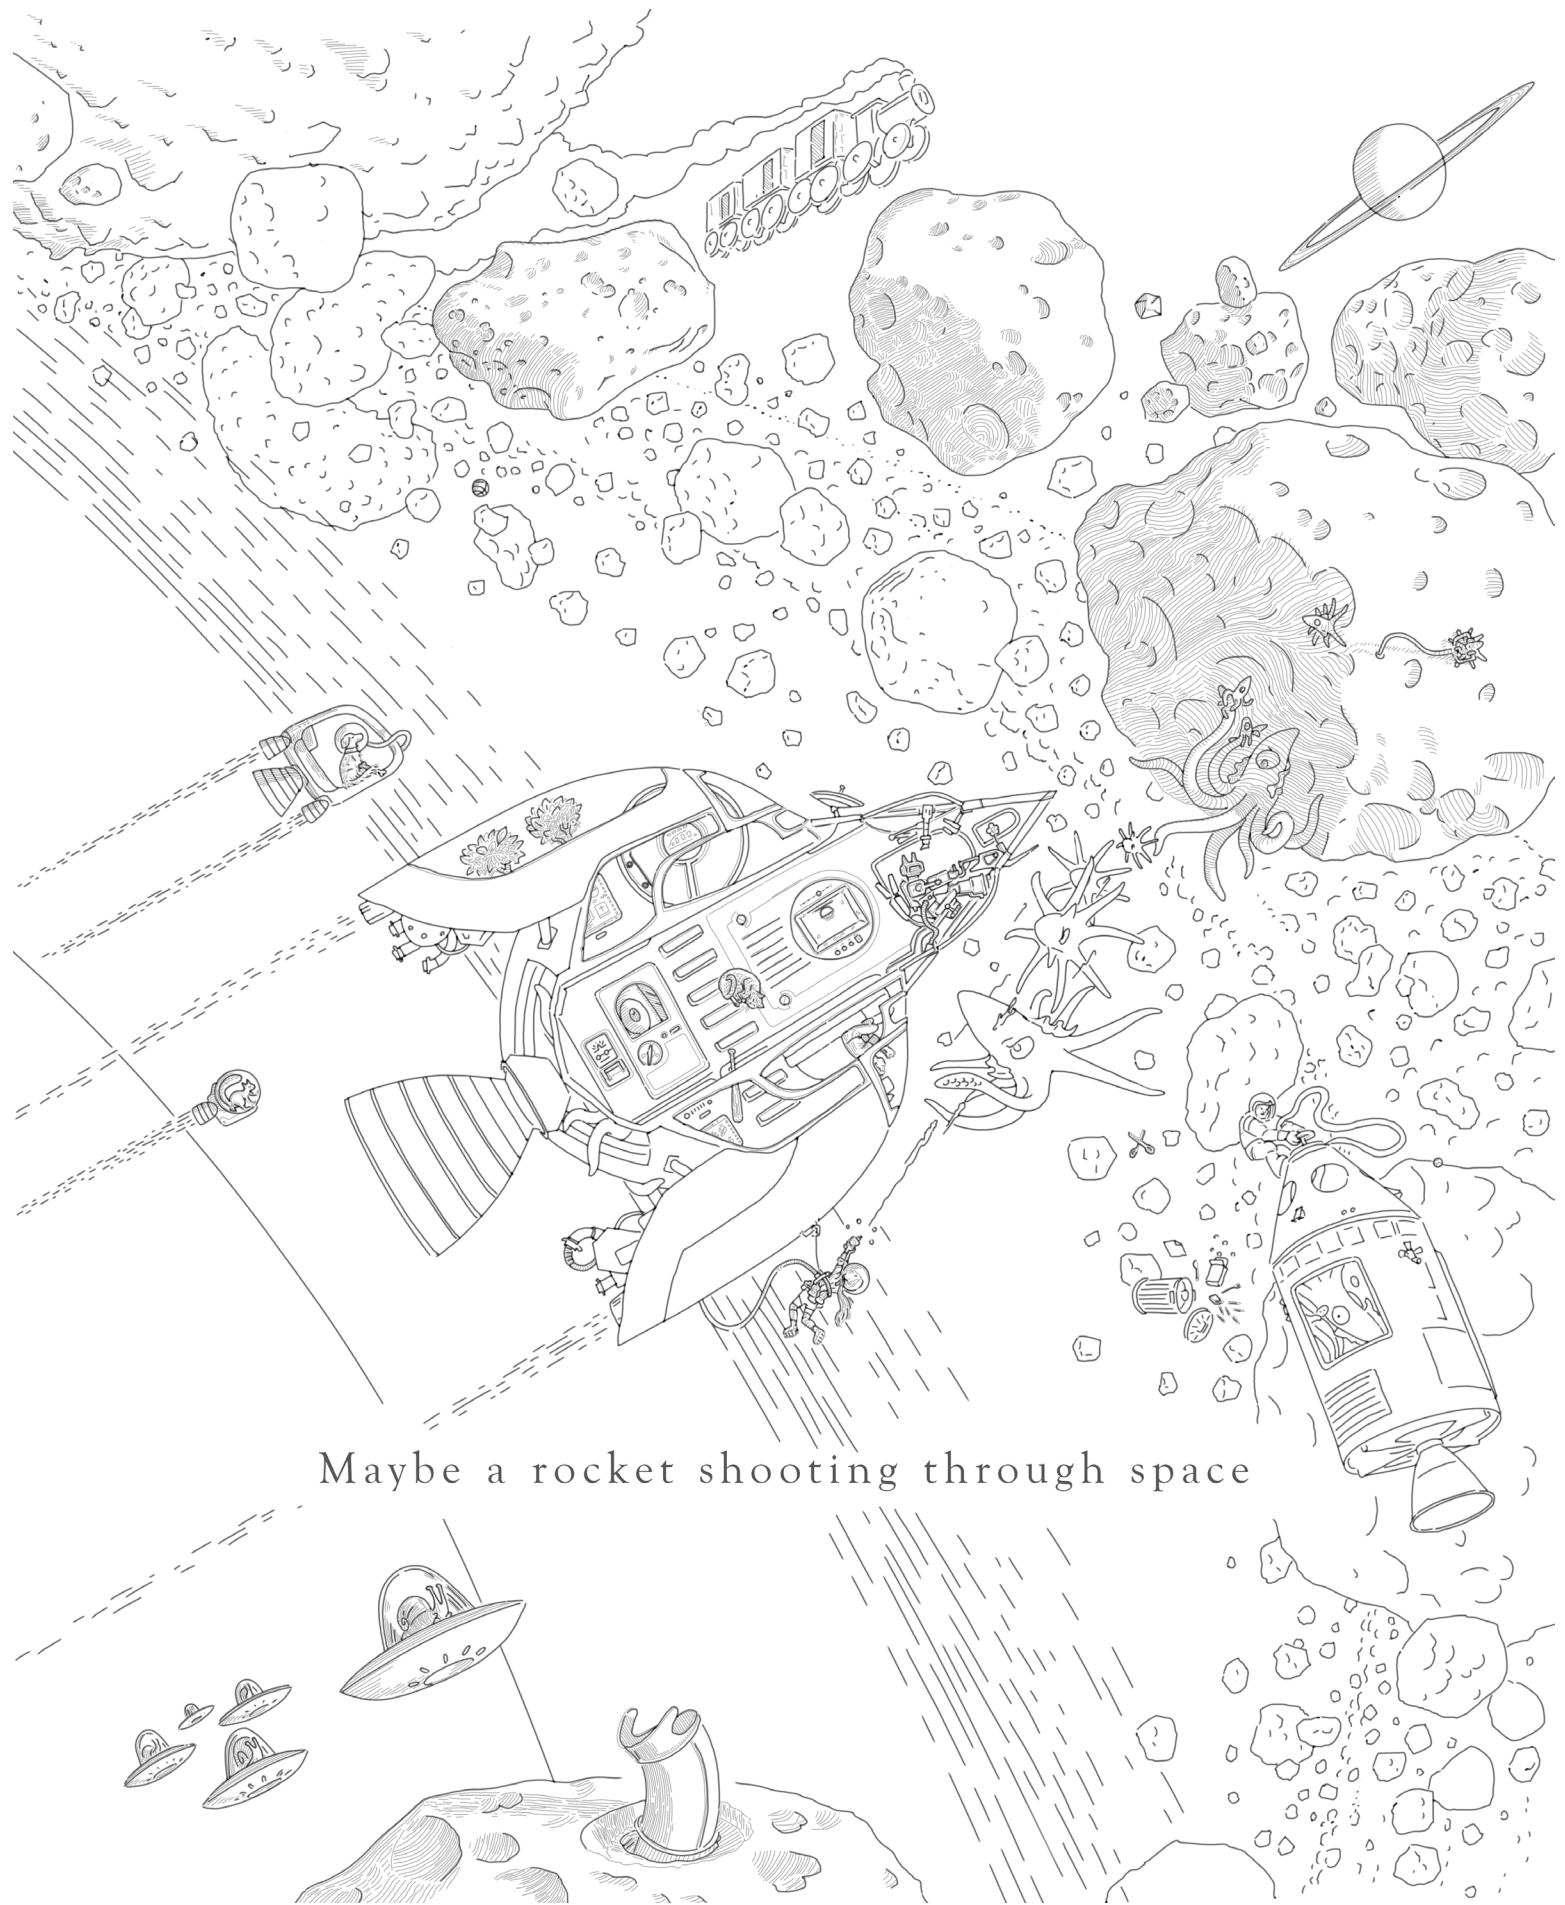

Maybe a hospital where there are lives to be saved

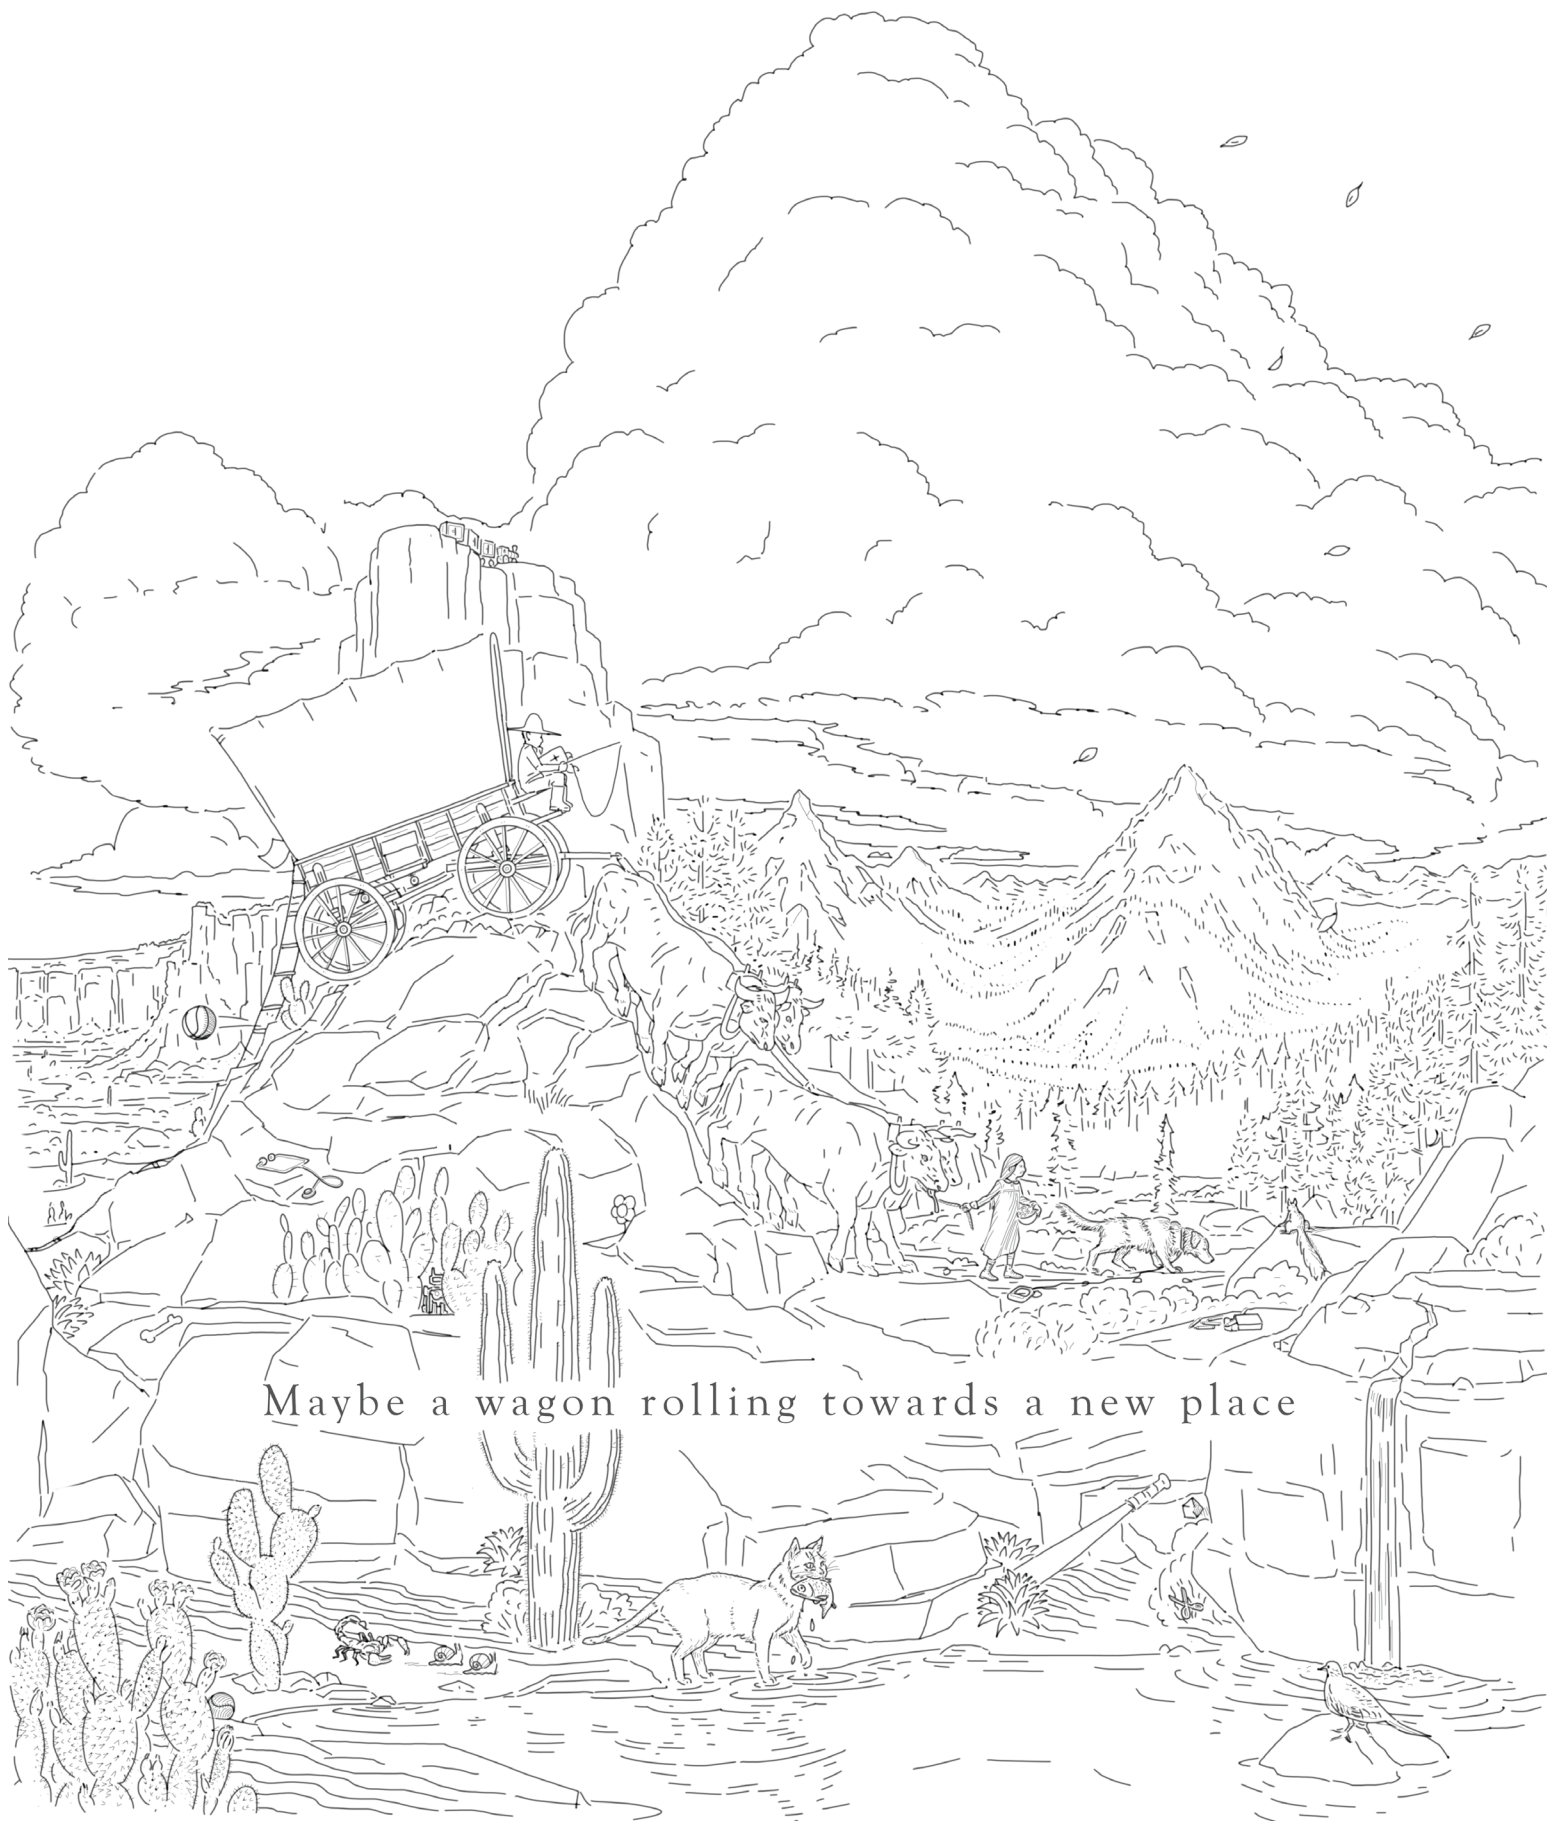

Maybe a classroom where we learn to behave

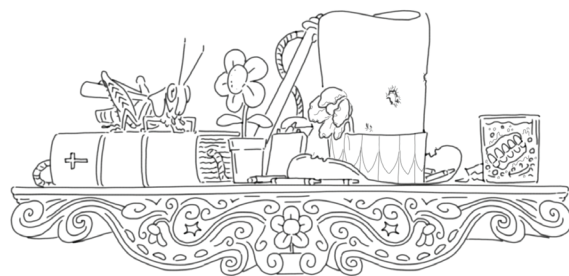

Maybe a rocket shooting through space

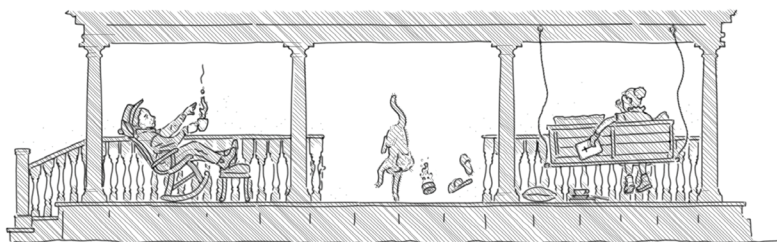

Maybe a circus in all its glory

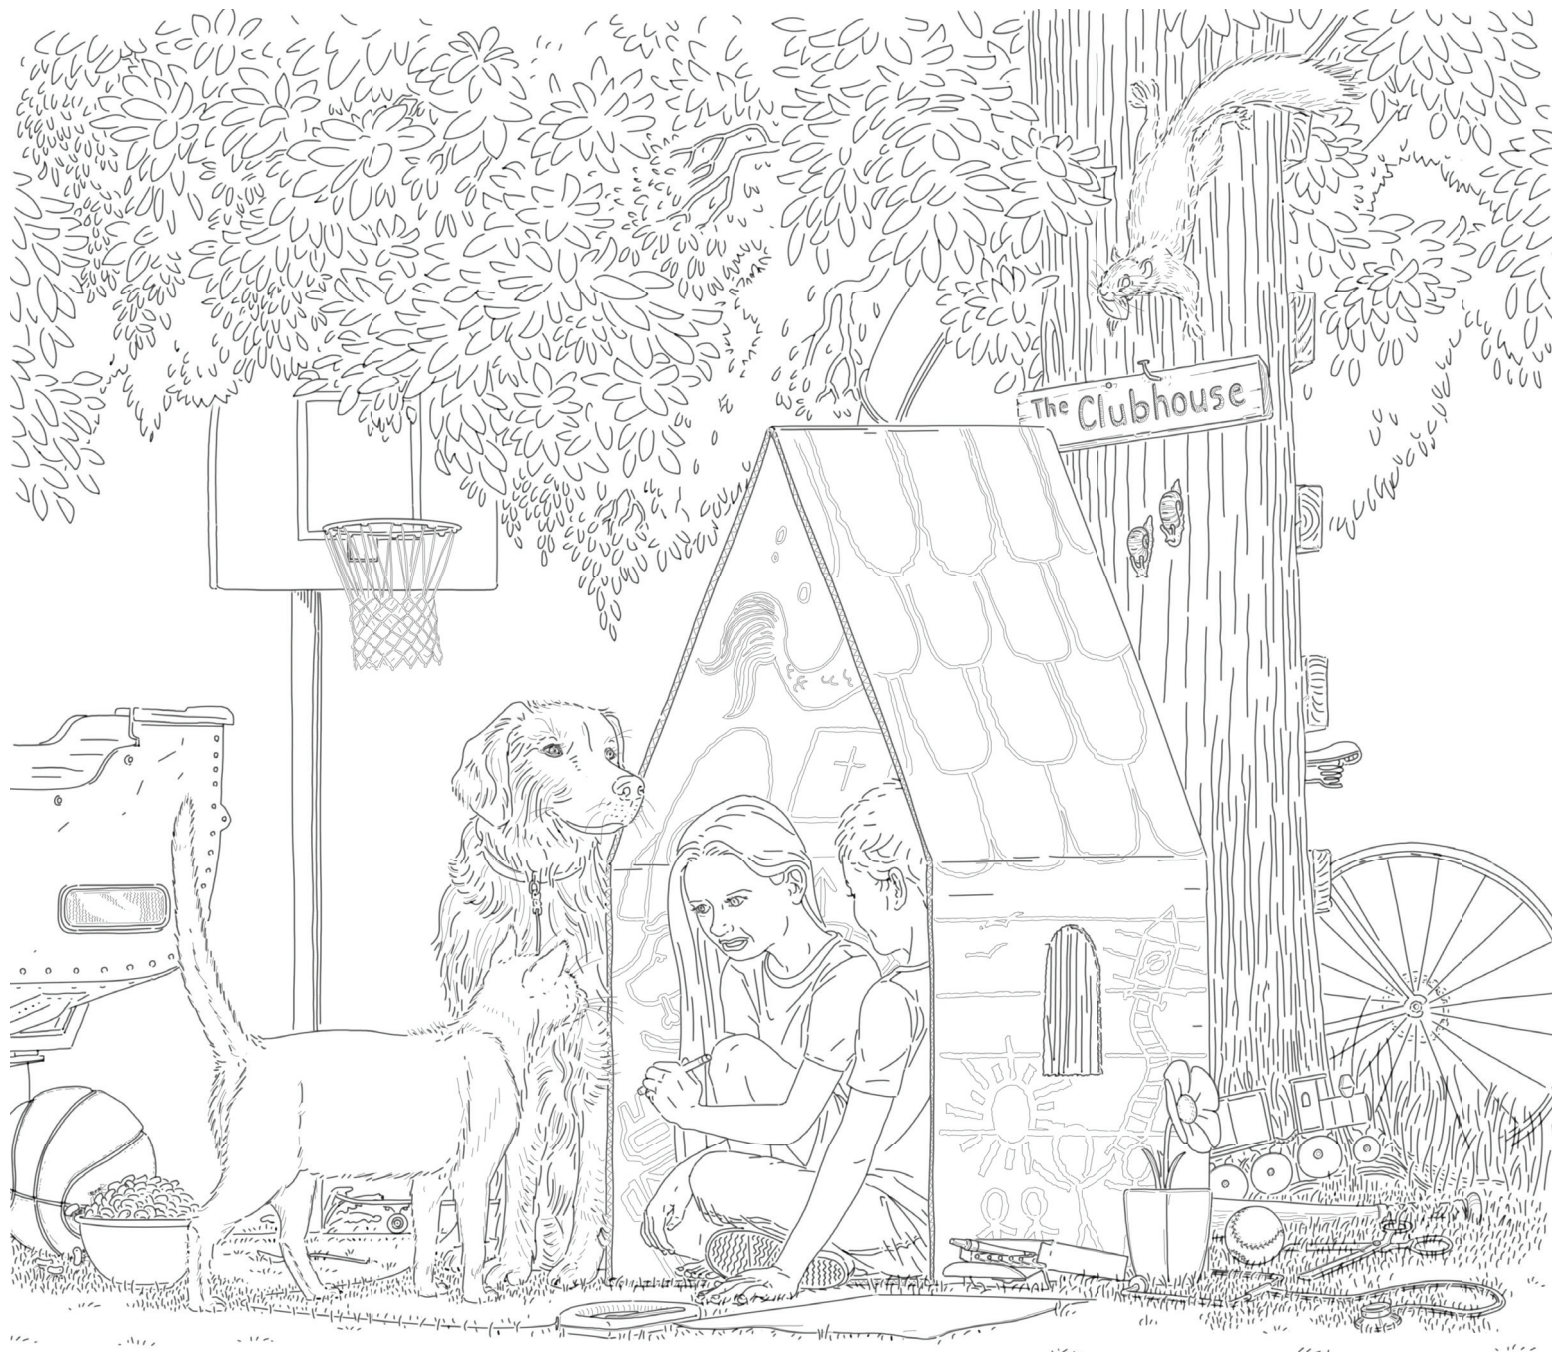

Maybe a time machine that takes us away

Maybe a church where we learn how to pray

MORE ADVENTURE IS
